

## Teresa Neudecker Bio

I have been a member of St. Michael's and All Angels since 2015. From the first time I attended services here I was immediately at home - our SMAA community is so welcoming, vibrant, caring and such an example of lovingly responding in the Spirit to the call to be Christ's love in our world.

I have been honored to serve our SMAA community on the Vestry and to have served and represented SMAA as a diocesan delegate. I am honored to be nominated to continue to serve as a Diocesan delegate.

If elected, I look forward to representing the wonderful open spirit of St. Michael's at the diocesan level and working to strengthen our relationships with the parishes and communities of our diocese as we accomplish the work of the diocese.
